06 Summary
Why choose the GHC Capital Markets Bespoke Portfolio Service?

GHC is a modern and progressive company of investment managers and stockbrokers that focuses on working closely with professional advisers to create innovative and accessible investment solutions.

The Bespoke Portfolio Service provides a discretionary managed portfolio, specifically designed for clients who wish to have their investments managed by a dedicated professional client executive utilising collective investment vehicles and/or direct investments based upon a bespoke mandate. This is ideal for clients wishing to have an Environmental, Social & Governance (ESG) or a Socially Responsible Investment (SRI) portfolio.

Your portfolio will consist of a range of asset classes taking into account your investment objectives, investment restrictions, timescales, and risk appetite all as agreed with your financial adviser.

MINIMUM INVESTMENT
You can invest from as little as £100,000 with the ability to add further lump sums.

DISCRETIONARY MANAGED
GHC Capital Markets will make all the investment decisions on your behalf. The portfolios will continue to be monitored and managed to reflect your mandates and risk grades until we are informed otherwise. Your investment manager will commence any necessary portfolio changes as soon as they are requested.

RISK MANAGED
The GHC system of investment risk grades is designed to provide you with the most appropriate service based upon your attitude to investment risk as agreed with your financial adviser.

**KEY POINTS:**

- A bespoke investment solution aligned to your needs
- ESG and SRI portfolios available
- Professional Investment management of your portfolio
- Portfolios managed with investment strategies and processes that have been developed in house over 20 years
- Access to the investment manager responsible for your portfolio
- Simple access to an on-line portal showing up to date valuations and more
- Competitive fee rate
Selecting the Most Appropriate Investment Portfolio

YOUR ATTITUDE TO RISK

Your attitude to risk is very important as it helps determine the type of investments most suitable for you. As a rule of thumb, the more risk you’re prepared to take, the higher the potential returns could be. The downside is that any losses are potentially greater.

The GHC system of risk grades is designed to enable you, with the guidance of your financial adviser, to select the most appropriate service based upon this attitude to risk.

BESPOKE PORTFOLIO SERVICE RISK GRADES:

**Risk Grade 1 - Extremely Cautious level of volatility**  
Investments limited to money market/other near cash funds and short dated fixed interest securities.

**Risk Grade 2 - Very Cautious level of volatility**  
Investments limited to money market/other near cash funds and short dated fixed interest securities.

**Risk Grade 3 - Cautious level of volatility**  
Over 50% of the portfolio will be invested in fixed interest securities or near cash funds and up to 30% equities.

**Risk Grade 4 - Conservative level of volatility**  
Over 25% of the portfolio will be invested in fixed interest securities or near cash funds and up to 50% equities.

**Risk Grade 5 - Moderate level of volatility**  
Up to 75% of the portfolio will be invested in equities.

**Risk Grade 6 - Moderately adventurous level of volatility**  
Up to 100% of the portfolio will be invested in equities with up to 50% being global equities.

**Risk Grade 7 - Adventurous level of volatility**  
Up to 100% of the portfolio will be invested in equities with up to 75% being global equities.

**Risk Grade 8 - Aggressive level of volatility**  
Up to 100% of the portfolio will be invested in global equities.
GHC seek to add value to your portfolio through an in-house process developed over the last 20 years. This process is one of defining an asset allocation profile and fulfilling this with individual investment selections.

Looking to outperform appropriate indices over the medium to long term, GHC adopts a top down approach to asset allocation process and a bottom up approach to individual investments selection.

**The GHC Investment Approach & Process**

GHC’s in-house Fund Scoring System
Fund Due Diligence

**RESEARCH**
- Global Economic View
- Market Capitalisation & Positioning
- Relative Global Valuations
- Geographic Positioning

We use independent macroeconomic research for our financial market forecasts such as bond yields, exchange rates, corporate profits, and dividend growth.

**REVIEW**
- Strategic Asset Allocation
  - Every 3 Months
- Tactical Asset Allocation
  - Every Month

These in turn are fed through to our regular strategic and tactical asset allocation reviews where we decide on the level of exposure appropriate for each asset from a wide range of asset classes.

**SELECTION**
- GHC’s in-house Fund Scoring System
- Fund Due Diligence

Fund Selections for each asset class are made using our own unique quantitative process that has been developed and refined over the past 20 years.

- Have the ability to have portfolio review meetings with a member of the GHC Investment Team
Notes
This document is for the information of clients or prospective clients and is not intended as an offer or solicitation to buy or sell securities. The information given is believed to be correct but cannot be guaranteed and opinions constitute out judgement, which is subject to change. Certain investments carry a higher degree of risk than others, are less marketable and therefore may not be suitable for all clients. Clients should always consult their financial adviser before dealing. The value of stocks, shares, and units and the income from them may fall as well as rise and this also applies to interest rates and the sterling value for overseas investments. Past performance is not necessarily a guide to future returns and investors may not get back the amount they invested. Any anticipated tax benefits depend upon an individual’s circumstances and are subject to change in legislation and regulation, which cannot be foreseen.

Directors, employees and other clients of GHC Capital Markets Limited may have an interest in securities mentioned by the firm but all officers operate a policy of independence which requires them to disregard any such interest when making recommendations.
